What to Wear: Smart Attire.

We ask that you wear smart attire in most of our bars, restaurants, and entertainment venues. Smart trousers with a shirt and jacket for gentlemen; tie is optional. Ladies, blouses and skirts or stylish trousers and dresses are welcome. If you prefer to spend tonight in more relaxed attire, feel free to dress more casually in the following venues: Lido Buffet, Golden Lion Pub, Casino, Winter Garden and Yacht Club. Please note Non-ripped jeans are appropriate, but please refrain from wearing shorts, sports attire, swim wear or sleeveless t-shirts outside of the gym, spa and deck spaces.

Assistive listening devices ?. For guests who are hard of hearing, assistive listening devices (headsets and neckloops) are available from the Purser's Office located on deck 1 in the Grand Lobby. Please look in the Daily Programme for the symbol shown above. This will be placed next to those events which utilise the devices.

Credit or debit card authorisation.

During check-in you may have registered a credit or debit card to cover your on board spending. An amount of \$100 has been held to cover any on board spend, similar to what you would experience in hotels on land. During your time on board we will run daily authorisations against your registered credit or debit card for any amounts exceeding the secured \$100. The authorised amounts are not taken from your account until it is finally settled on the day of disembarkation.

General emergency drill.

At 4.00pm, an emergency drill will be held. It is a requirement of law that after boarding the ship, all newly embarking guests must attend and be instructed in their General Emergency Stations. On commencement of this exercise, broadcasts will be made and alarm bells sounded, calling you to your assembly stations as indicated on the notice behind your stateroom door. Your guest identification card will be scanned at your assembly station to record your attendance. Please ensure all members of your party, including children, have their guest identification cards ready for scanning. Please carry your lifejacket with you, do not wear it and for safety sake do not allow the belt to trail on the deck. The correct method of wearing a lifejacket will be demonstrated to you at the end of this muster. Prior to attending the drill, we would like to bring your attention to the safety notice on or near the back of your stateroom door, and ask that you view the safety film which is showing continuously on stateroom TV Channel 48. During this exercise many services will cease. We apologise for any resulting delay in resuming the ship's services.

Health advice.

7 00 cm to loto

Should you experience any symptoms of vomiting or diarrhoea, report this by immediately calling the Medical Centre from your stateroom by dialling 999/911. We ask for your cooperation in preventing the possible spread of this illness and recommend that when practical you use the bathroom in your stateroom. It is vitally important that everyone on board maintains excellent standards of personal hygiene as the virus is easily passed on from person to person by touching surfaces such as handrails, door handles and elevator buttons. The single most effective means of prevention is frequent and thorough hand washing. We recommend that you wash your hands using soap and warm water for at least 20 seconds then rinse and dry them well each time you use the toilet/ restroom, after coughing or sneezing and before eating, drinking or smoking. Try to avoid touching your mouth with your hands. Whilst alcohol hand sanitisers are no substitute for hand washing, these have been provided for your use in certain food service areas around the ship.

Medical services.

The Medical Centre is open twice a day for routine, non-emergency consultations with the ship's doctor. These opening hours can be found in your Daily Programme. For emergencies only, please press the speed dial button marked 'emergency' on your telephone or dial 999 or 911. Tablets for seasickness are available from the Purser's Desk on deck 1 in the Grand Lobby.

Smoking policy.

Smoking is not permitted in staterooms, on balconies or in public areas. Designated areas of the open deck where smoking is permitted is on the starboard side of decks 3 and 10 only, please use the ashtrays that are provided in these areas. Electronic cigarettes and vaporising devices, including those which do not emit smoke, are permitted in designated areas of the open deck only. Churchill's is a lounge dedicated to cigar and pipe smokers only.

Welcome to Southampton, United Kingdom, as Queen Victoria departs on her Iberian and Eastern Atlantic Voyage. All Aboard Time: 4.00pm.

Southampton is the largest city in the county of Hampshire on the South coast of England and is situated 75 miles (121 kilometres) South West of London and 19 miles (31 kilometres) North West of Portsmouth. It lies at the Northernmost point of Southampton Water at the confluence of the River

for its association with the RMS Titanic, the Spitfire, in World War II as one of the departure points for D-Day and known as the home port for a number of the largest cruise ships in the world. In 1911, Cunard Line purchased three ships, renamed the Albania, Ausonia and Ascania, to start a new service between London, Southampton and Canada. The route was intended to take advantage of a treaty signed between the Canadian and French governments whereby goods shipped to Canada through a British port received a rebate. Cargo was loaded in Tilbury Docks, London, and passengers ioined the ship in Southampton, which then proceeded to Quebec and Montreal. This new route was pioneered by the Albania, which arrived in Southampton for the first time on 2 May 1911, starting a long relationship between Cunard and Southampton. Cunard's headquarters remain in Southampton, now in the modern surroundings of Carnival House.
