## What to Wear: Gala Evening Attire.

It's Showtime. Tonight we invite you to dress to impress and celebrate with us at one of our much anticipated Gala Evenings. That means from 6.00pm on board, its dinner jacket, tuxedo, or dark suit for the men with a regular tie or bow tie. Evening or cocktail dress, smart trouser suit, or formal separates for the ladies please. A range of gentlemen's formal wear is available to hire on board. If you prefer to spend tonight in more relaxed attire, feel free to dress more casually in the following venues: Lido Buffet, Golden Lion Pub, Casino, Winter Garden and Yacht Club. Please note Non-ripped jeans are appropriate, but please refrain from wearing shorts, sports attire, swim wear or sleeveless t-shirts outside of the gym, spa and deck spaces.

## Guest identification cards.

Please be aware that your Guest ID card (ship's identification card) is magnetised. These cards can easily become demagnetised if they are held next to another magnet, for example a credit card, magnets on a handbag, mobile phones, cameras, or if two identification cards are held next to one another. If you require any assistance visit the Purser's Office on deck 1 in the Grand Lobby.

## Hand antibacterial units on the gangway.

We encourage all guests to assist us in maintaining a healthy ship by using the hand antibacterial units that are located at the gangway.

## Health advice.

In order to prevent any incidences of viral gastroenteritis (diarrhoea and vomiting) on board, we would respectfully advise our guests to be careful with their personal hygiene, particularly hand washing during their time ashore. If eating and drinking ashore please look for an establishment that appears well maintained and clean and only consume food that has been freshly and thoroughly cooked. It is recommended that you take care when ordering salads which are often washed in local tap water and only drink water from unopened sealed bottles and without ice.

## Wheelchair assistance for shore excursions.

Guests are kindly reminded that wheelchair assistance (if required) will be provided to assist guests on and off the gangway only. As per the terms and conditions stated in the Cunard brochure, guests must be able to make their own way to the transportation on the pier, or be accompanied by a travel companion who is able to assist them.

## Medical services.

The Medical Centre is open twice a day for routine, non-emergency consultations with the ship's doctor. These opening hours can be found in your Daily Programme. For emergencies only, please press the speed dial button marked 'emergency' on your telephone or dial 999 or 911. Tablets for seasickness are available from the Purser's Desk on deck 1 in the Grand Lobby.

## Environmental notice.

The care of the environment is of the utmost importance to Cunard. With this in mind, we would ask that any litter you may have in your possession whilst ashore is disposed of in an ethical manner, or if the appropriate facilities are not available whilst ashore, please bring it back to the ship where we can look after it for you.

## Postage.

For your convenience a concierge postal service is available for you to send letters and postcards. The rate per postage item is \$3.00 for worldwide delivery. Maximum weight per item is limited to 50g. If you have already purchased your own postage stamps you may leave the mail at the Purser's Office for posting. You will not be charged for postage which has already been correctly stamped by yourself. The deadline for sending mail is 2 hours before sailing when the ship is docked, and 3 hours prior if the ship is anchored and using tenders.

## Gibraltar pounds.

Please note that we do not accept Gibraltar pounds on board Queen Victoria. If you need further assistance please contact the Purser's Office on deck 1 in the Grand Lobby.

## From the Navigator.

Early this morning Queen Victoria entered Gibraltar bay on northerly courses. Here you may have noticed numerous anchored vessels all around. Many of these ships will not be calling at Gibraltar, instead taking fuel and stores, awaiting berths at the busy container terminal at Algeciras to the West or the oil refinery to the North. Some may simply be anchored in the sheltered bay to escape Atlantic weather systems or awaiting their next set of orders in an ever changing economic climate.

## Time Change Notice.

Please be advised that early on Tuesday morning, the ship's time will be set back by one hour. Please set your watches/clocks back before retiring this evening, Monday, 12 November.

## In the port of Gibraltar.

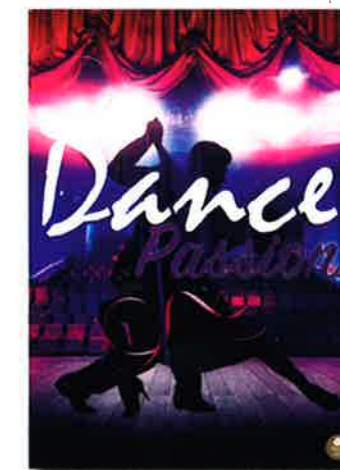

Arrival Time: 8.00am.

All Aboard Time: 2.00pm.

A little piece of Britain in the Mediterranean - with its helmeted bobbies, pillar boxes and pubs, you will find Gibraltar a fascinating place to visit. From the caves and batteries tunnelled into the mountain, to the Apes that sit on its slopes, your visit to the Rock will be filled with interesting sights and sounds. Few European destinations can boast such a rich combination of history and culture - in such a small area - as Gibraltar. Having been governed by the Moors, the Spanish and finally the British, it is not always easy to discern where one influence ends and another begins. For the shopper, Moroccan and Indian bazaars trade comfortably alongside British supermarkets and Spanish 'tapas' bars, while the sightseer may discover some of the Rock's more curious treasures - a nineteenth century lighthouse, a fourteenth century castle and a limestone cavern. The majority of Gibraltar's main attractions are located within the Upper Rock Nature Reserve. For a small admission fee, visitors have access to the Moorish Castle, the Ape's Den, St Michael's Cave, the Great Siege Tunnels, and the Military Heritage Centre. The Cable Car, located at the southern end of the main street shopping area, is a great way to take in the best of Gibraltar. Discover Gibraltar's fascinating history with the new Pocket Multimedia Tour and experience the breathtaking views of Europe and Africa from the Top of the Rock.
