## Assembly Station familiarisation.

It is a maritime requirement that all guests attend their assembly station for familiarisation purposes prior to 4.30pm. If you have not already done so, please visit your Assembly Station where your Voyage card will be scanned to record your attendance. Your allocated Assembly Station is as indicated on the back of your stateroom door, boarding pass and Voyage card. There is no need to take your life jacket with you. We ask that all guests watch the Cunard safety video on your stateroom television, channel 57.

## Environmental.

In order to ensure that the world's oceans and our many beautiful and unique voyage destinations remain pristine, Cunard Line prides itself on maintaining the highest standards of compliance with regards to national and international laws for the protection of the environment. In order to help save fuel and fresh water, guests are kindly asked to turn lights and televisions off when not in their staterooms and not to leave taps running unnecessarily. This would help us with our Environmental Policy, ISO 14001 and 5001, which requires us to continually improve our environmental management and reduce our carbon footprint.

## How to keep healthy on board.

So as to limit your chances of becoming unwell, we recommend you take the following precautionary measures:

- Social distancing should be practiced throughout your holiday. We'll make this as easy as possible, with signs and crew to guide you.
- Wear a face mask when moving around indoors and when seated in the theatre.
- Wash your hands often and use hand sanitiser when hand-washing facilities are not available.
- Cough or sneeze into a tissue or bent elbow, and not into your hands; throw used tissues in the bin and wash your hands afterwards.
- Avoid contact with anyone you know who is unwell and their close contacts.
- Remain vigilant and report any COVID-19 symptoms to the Medical team by dialling 999 or 911.
- If you are contacted by NHS Test and Trace to self-isolate whilst on board, please contact the Medical team immediately by dialling 999 or 911.

## Smoking policy.

Smoking is not permitted in all indoor and outdoor public spaces, apart from designated smoking areas on the starboard side of Decks 3 and 10. Please be aware smoking is also not permitted in your stateroom/suite or on your balcony, including the area/walkway above the canvas canopy linking the port and starboard side. Electronic cigarettes and vaporising devices, including those which do not emit smoke/vapour, are permitted in designated smoking areas only.

## My Voyage.

Explore My Voyage, our on board digital planner, and make on board dining reservations, join a virtual queue and access your on board account at any time of the day or night.

Explore My Voyage by simply connecting to 'Cunard\_Guest\_WIFI' and visiting [myvoyage.cunard.com](http://myvoyage.cunard.com) or by opening your device's camera, hovering over the QR code displayed and selecting the pop-up screen.

You can also make reservations by calling our dedicated reservations line on 38000. Available from 1.00pm to 8.00pm.

## How to logon to the ship's Wi-Fi.

- Connect to the ship's Wi-Fi network by selecting Cunard\_Guest\_WIFI, please then type 'login.com' into your internet browser.
- Follow the on-screen instructions, making sure the 'ID Card number' is the final four digits from your Voyage card (stateroom key).
- Keep your details safe by using a memorable username and password.
- Select your satellite internet package and check out.
- Switching off the ship's Wi-Fi, or turning off your device will not terminate your session and your minutes will run out. Simply type [logout.com](http://logout.com) in your internet browser then press go or enter, when you want to disconnect. A summary of the amount of minutes you have used will be displayed. This confirms that you have successfully logged out.

For assistance, visit the Library on Decks 2 and 3, midships during the opening hours.

## Mobile phone roaming charges.

If you plan to use your mobile phone or device during the voyage, it is important to know that once we sail away, your phone may go into roaming mode and automatically connect to an at-sea Maritime network provider. Although, when we are near a shoreline or in port, your mobile signal will typically switch to a carrier from the country or island we're visiting. In both instances, roaming charges may apply and are usually costly. To avoid unnecessary and unexpected charges, we recommend you switch off 'roaming' on your personal device.

## Queen Elizabeth orientation.

The port side of the ship has even numbered staterooms, while the starboard side has odd numbered staterooms. Numbers begin at the front of the ship and go up the further back they are. Our stairways are lettered: A is forward, B is midships and C is aft. There are maps of the ship as well as directional signs placed near the lifts. We hope this assists you in becoming familiar with our ship.

## Safety notice.

As your safety is our prime concern, we would like to remind you of some important precautions you must take while in your stateroom or on your balcony.

- Never use lighted candles, naked flames or any other burning material either in your stateroom or on your balcony.
- Heated electrical items (such as curling irons) used in your stateroom should not be left plugged in and unattended. When finished with the item, ensure it is unplugged.
- The use of irons and non-thermostatically controlled water heaters is strictly prohibited.
- Do not hang clothing out or leave personal items unattended on the balcony.
- Before retiring for the evening bring all personal items inside.
- Do not place any items on top of the light fittings.
