Celebrity Speaker, Squadron Leader John Peters RAF rtd. 'Tornado Down'.

John Peters came to the world's attention in January 1991 during the first Gulf War, when his bruised and battered face flashed onto television screens around the world. It was his disfigured image that became a potent symbol of Saddam Hussein's ruthless aggression. His dramatic and sometimes harrowing experiences reach deep into our innermost minds, showing us how we can overcome even our worst fears and nightmares. His war was not all as he expected – it became a seven-week ordeal of torture and interrogation testing John Peters to the absolute limit and bringing him close to death. By no means a doom and gloom story, his insights are powerful, passionate, emotive & challenging with an innate sense of humour.
