Queen Mary 2 sets sail on her Caribbean Voyage.

All Aboard Time: 4.30pm

The City of New York is the most populous city in the United States and the most densely populated major city in North America. The city is a centre for international finance, fashion, entertainment and culture and is widely considered to be one of the world's major global cities with an extraordinary collection of museums, galleries, performance venues, media outlets, international corporations and financial markets. Nicknamed 'The Big Apple', the city attracts large numbers of immigrants, with over a third of its population foreign born.

Captain Christopher Wells.

The Captain, his officers and crew, welcome you on board as we set sail on our Caribbean Voyage. You will be sure to make enchanted memories on this wonderful voyage. We wish you a pleasant journey and a relaxing holiday as Queen Mary 2 sets sail to our next port of call, Tortola.

Tonight's Entertainment.

Kenny Martyn.

'The Musical Artistry of Kenny Martyn.'

This highly talented man was born in Liverpool and began playing the clarinet from the age of six years. Classical masters Sir William Glock, Gervase de Peyer and Lady Evelyn Barbarolli awarded Kenny first prize in various music competitions but it was none other than Frankie Vaughan who spotted Kenny playing swing clarinet on BBC TV which began a long association with the great showman. At that time, Frankie's lead alto player was the celebrated Bob Burns, who also played for Benny Goodman. Kenny Martyn's virtuosity on clarinet ensures the timeless legacy of Benny Goodman is heard in a new exciting way by a new generation. With the Royal Court Theatre Orchestra, under the direction of Jeff Hughes. Presented by Entertainment Director, Catherine Kennedy.

A message from the Entertainment Director.

I would like to extend a warm welcome to all guests joining us in New York today. I hope you will enjoy the facilities and activities on board. My staff and I are delighted to provide you with an array of activities, enrichment and entertainment. The Daily Programme provides you with all essential information about Queen Mary 2 and is delivered to your stateroom/suite every evening for the following day. As part of our award-winning Cunard Insights Enrichment Programme, we are proud to present the following speakers on this voyage:

- Celebrity Speaker, Jonathan Haslam CBE
- Celebrity Speaker, John Peters, Royal Air Force
- Howard Parkin, Royal Astronomical Society
- Joe Bishop, Environmental Science
- Gloria Barnett, Oceanography Marine Life
- Ardella Jones, Caribbean Culture and History

We are proud to present Jonathan Haslam CBE and John Peters as our Celebrity Speakers this voyage. Jonathan Haslam CBE was a civil servant for 20 years and worked as deputy and then director of communications for more than 6 years in John Major's government in Downing Street. John Peters was held captive in the Gulf War, and his battered and bruised face became symbol of Saddam Hussein's ruthless aggression.

We have a number of lectures planned for each day at sea, and I am sure you will find them both interesting and enriching. In addition, we have a number of in-house staff who offer their expertise on an assortment of topics such as health and fitness with Canyon Ranch, expert jewellery advice from our on board boutiques, insights into the art world with our resident exhibitors, Clarendon Fine Art and a wealth of knowledge about Apple devices and software from our Guest Computer Services Manager.

In the evenings we present a spectacular show in the Royal Court Theatre. We have a wonderful cast, the Royal Court Theatre Company, as well as guest artistes and entertainers to make every show time special and exciting. We are also joined by classical pianist Roman Rudnytsky this voyage, who will conduct a number of recitals.

Once again, welcome aboard, and enjoy the many things to do on board Queen Mary 2.

Catherine Kennedy - Entertainment Director - Queen Mary 2.

For your convenience, the charges are debited directly to your on board account and all mail will be given to our agent for mailing. This facility will close 2 hours prior to departure from all ports.

What to Wear: Smart Attire.

We ask that you wear smart attire in most of our bars, restaurants, and entertainment venues. Smart trousers with a shirt and jacket for gentlemen; tie is optional. Ladies, blouses and skirts or stylish trousers and dresses are welcome. If you prefer to spend tonight in more relaxed attire, feel free to dress more casually in the following venues: Kings Court, Golden Lion, Casino, Carinthia Lounge and G32. Please note non-ripped jeans are appropriate, but please refrain from wearing shorts, sports attire, swim wear or sleeveless t-shirts outside of the gym, spa and deck spaces.

General Emergency Stations Drill.

This afternoon an emergency drill will be held. It is a requirement of law that after boarding the ship, all newly embarking guests must attend and be instructed in their General Emergency Stations. On commencement of this exercise, broadcasts will be made and alarm bells sounded, calling you to your assembly stations as indicated on the notice behind your stateroom door. Your guest identification card will be scanned at your muster station to record your attendance. Please ensure all members of your party, including children, have their identification cards ready for scanning. You are not required to bring your life jacket with you and the correct method of wearing a life jacket will be demonstrated to you at the end of this muster. [For those guests continuing on your voyage, you are welcome to attend this muster to re-familiarise yourself with the safety procedures should you wish, and we would draw to your attention that the broadcasts relating to this drill will be relayed through all the public areas and restaurants which is a legal requirement]. During this exercise many services will cease. We apologise for any resulting delay in resuming the ship's services and thank you for your co-operation in these matters of our mutual safety. Please note that the Gymnasium and King's Court areas are closed 15 minutes prior to and during the drill.

Alcohol Policy.

Guests under 18 years of age (21 in US ports and territorial waters) will not be served alcoholic beverages nor are they to consume them on board. Please be aware that proof of age by means of government issued photographic identification, may be requested. Guests under the age of 18 are not permitted in G32.

Smoking policy.

For the safety, comfort and enjoyment of our guests, smoking (including Electronic alternatives) is not permitted in staterooms, on stateroom balconies or in public rooms. You will find designated areas on the open deck, Deck 7 aft and Deck 8 aft, port side immediately outside the entrance onto the deck only for smoking. Smokers should not drift beyond this point. The only exception to this is Churchill's Cigar Lounge, which is reserved for cigar and pipe smokers only. This policy is designed through direct feedback from our guests and is for the safety and comfort of all guests.

Tender Ports.

In the port of St Lucia we shall anchor offshore rather than alongside. When this is the case, we use a tender to take you ashore. A tender is a small vessel with a capacity of approximately 100 people. The tenders are usually our own, manned by our crew, but sometimes they are chartered through a trusted external provider. When using tenders your safety is our utmost priority, so please read the 'Tender Instructions' we shall send to your stateroom this evening. **It is a requirement that all guests must be able to negotiate a distance of 45cm or 18 inches unaided in order to embark the tender service.** If you have registered with us for mobility assistance, one of our officers will be in touch with you shortly to discuss your ability to embark and disembark the tender safely. Our officers will make a final assessment of all guests' mobility at the point of embarkation, and at this point, you may be denied permission to board the tender, which will be at support of the Captain. Should you have any questions about the tenders, including concerns about safety and mobility, please ask at the Purser's Office.

Medical Services.

The Medical Centre is open twice a day for routine, non-emergency consultations with the ship's doctor. These opening hours can be found in the daily programme. For emergencies only, please press the speed dial button marked 'emergency' on your telephone or dial 999 or 911. Tablets for sea sickness are available from the Purser's Office.
