Port Highlights

Our approach this morning saw Queen Victoria enter the Santorini caldera from the west, passing north of Aspro and south of the uninhabited and volcanically active island of Nea Kameni, before turning to the north towards the town of Thira, where she will maintain position using her pods and thrusters whilst a tender service is run ashore. Queen Victoria will heave up her anchor at around 6.00pm and once again pass through the west opening of the caldera out to the open sea.

The island of Santorini was completely reshaped and its ancient civilisation devastated by one of the biggest volcanic eruptions in history in around 1620 BC. While of course a disaster at the time, this cataclysm gave the island its unique crescent-shaped formation (it encircles the dramatic sight of its submerged volcanic crater - the 'caldera'), as well as creating jaw-dropping volcanic beaches where multi-coloured lava cliffs loom above sparkling turquoise waters. As well as fascinating archaeological sites, the island boasts charming clifftop villages such as Fira and Oia. Among the picturesque whitewashed terraces of these villages, many lovely bars and restaurants can be found, most of which offer spectacular views of the island thanks to their elevated location.

For your information

What to Wear: Smart Attire

From 6.00pm on board, we ask that you wear smart attire. This means smart collared shirts, evening tops, trousers, skirts and dresses. Jackets are optional.

Of course, if you prefer to spend tonight in more relaxed attire, a selection of casual dining and entertainment venues are available for your enjoyment. Feel free to dress casually as you visit any of the following venues: the Lido Restaurant, Golden Lion, Casino, Winter Garden and Yacht Club. Please note non-ripped jeans are appropriate, but please refrain from wearing shorts, sports attire, swim wear or sleeveless t-shirts outside of the gym, spa and deck spaces.

Alcohol policy

Guests who are under 18 years of age are not permitted to purchase or consume alcohol on board. Government issued identification may be requested.

Smoking areas

Smoking is not permitted in all indoor and outdoor public spaces, apart from designated smoking areas on the starboard side of Decks 3 and 10. For more information please see page 14 of your stateroom Essential Information booklet.

Noise in guest areas

We kindly ask all guests to be respectful with regards to keeping noise to a minimum. Please try not to slam stateroom doors either into corridors or onto balconies, as guests around you may be resting. We are sure you will understand this small courtesy helps all to enjoy a relaxing voyage.

Deck chairs

Deck chairs operate on a first-come, first-served basis and cannot be reserved. For the consideration of all guests, please ensure you take your belongings with you when leaving a deck chair for a period of time, or they will be removed and taken to the Purser's Office for collection.

Important notice when using the tenders

To use the tender you must have independent mobility. By that we mean that you must be able to negotiate the steps, the gap and the height difference. There will be crew members there to guide and steady you as you embark, but they cannot support, carry or lift guests on board the tender for safety reasons. There will be no exceptions to this.

We will allow collapsible scooters and motorised wheelchairs in tenders. However, the equipment must be in its collapsible state before entering the queue for the tender. Please note that the crew members are not able to assist with the collapsing or lifting of the scooters and motorised wheelchairs. The guest or travel companion must be able to manage this alone. We ask that you please keep this in mind when booking your shore experiences or making plans to go ashore in these ports.

Safety in the tenders

For your own safety please read the 'Tender Safety Notice' at the head of the gangway and familiarise yourself with the contents of the 'Emergency Instructions Notice' posted in the cab of each tender. It is important that you follow the instructions given to you by the ship's crew and that you remain seated whilst in the tenders. Do not get in or out of the tenders until instructed to do so by the ship's crew. Sea conditions, access to tenders or access facilities ashore may preclude persons with mobility difficulties from going ashore by tender. These conditions may change during the course of the stay. With your safety in mind, the decision to permit or prohibit guests from going ashore will be made on each occasion by an officer delegated by the Captain. That decision will be final.
