Saturday, 30 Nove	ember 2024	Tonight: Smart Attire			
Queen Anne	Voyage H429	Time zone: GMT			
Sunrise 7.51am	Sunset 4.21pm				

Today we mark St Andrew's Day, Scotland's national holiday. We welcome you to come together to celebrate the country's fascinating history, vibrant culture, and great people.

Latha fèill Anndrais sona dhuibh! (Happy St Andrew's Day!)

### At sea, en route to Southampton

## From the Navigator

Queen Anne will today pass through the traffic separation scheme at Ushant. The Ushant Traffic Vessel Tracking Service surveillance area where Queen Anne will be asked to declare her oil and fuel figures to the French officials. A deep sea tug is available at this rocky outcrop to aid ships in trouble, and knowing these figures can help the authorities to act quickly to prevent environmental disasters. These were lessons learned from the Erica disaster in 1999 which was Europe's largest spill and a reminder that our environment is certainly something we should take extremely seriously in shipping. Later we will be joining the busy traffic lanes of the English Channel, passing to the south of two prominent light houses, Start Point Light in Devon and Portland Bill in Dorset, before our pilot rendez-vous in the Eastern Solent.

## INSIGHTS

10.00am Keith Appleyard - Espionage, Cyber Warfare & Military Intelligence - Royal Court Theatre Bletchley Park and the Ultra Secret

Over 10,000 people worked at Bletchley Park between 1939 and 1945 yet they never spoke about what they did. This talk shows how the decryption of German radio messages made a significant contribution to the allied victory and remained a secret for nearly 30 years.

11.00am Nancy Appleyard - Language & Communication - Royal Court Theatre, Decks 2 & 3 Advertising - Art or Artful?

Advertisers use numerous clever, crafty tactics to dupe us into noticing and remembering adverts? Constant repetitions and slogans notwithstanding, at heart adverts are designed to confuse us, to bore us, to make us feel angry or guilty or sometimes even shock us into buying their products.

12.15pm John Laverick MBE - Civil Engineering - Royal Court Theatre, Decks 2 & 3, Forward

#### The D-Day Landings and Mulberry Harbours

Commemorating the WW2 Normandy landings of exactly 80 years ago. This is the story of how civil engineers, in great secrecy, created two harbours in the UK and rebuilt them on the northern coast of France. Contains a personal account of how the Mulberry concept has been developed for the modern Royal Navy.
