In the port of Málaga, Spain

Port Highlights

Located on the Costa del Sol which literally translates as Coast of the Sun, Málaga is the perfect way to immerse yourself in the culture of Southern Spain. Marvel at Moorish and Roman architecture. Admire surrealist artworks by the city's son Picasso and savour a skewer of freshly grilled sardines (espetos) while gazing out at the sparkling Mediterranean Sea. Serene parks are filled with families of green parakeets and narrow streets snaking into grand boulevards. Atmospheric tapas bars are brimming with animated conversation. Málaga offers visitors a true taste of what life in Spain is all about. When it comes to passing a day in port, you'll be spoiled by options. Art. History. Architecture. Málaga has it in spades. The city is extremely walkable, with an influx of green spaces and a promenade that's perfect for stretching your legs. Nearly all of Málaga's must-see sights, including the golden sands of its Malagueta Beach, are located close to the cruise terminal.

Ship's Security and Safety Notice in Málaga

Whilst many thousands of tourists visit Målaga each year without incident, we would like to remind you about the ongoing threat caused by pickpockets in the port and town.

There are a few simple things that will reduce the chances of you becoming a victim of crime.

- · Please do not carry high value items.
- Always zip / close your bags.
- · Do not take all your bank or credit cards with you.
- Keep a close eye on any bag (backpack / handbag) whist eating in restaurants. Try and keep all your belongings within view.
- · Avoid items which easily identify you as a tourist.
- Leave your passport on the ship.

Your safety and security are always our prime concern when you are on board the ship. Whilst the chances of you being affected by pickpockets is slim it is important for us that you are aware of this localised issue and remain vigilant.

Thank you for your attention to this matter and we hope you enjoy your time ashore.

Ship's Security Notice

In order to prevent unauthorised persons boarding the ship, you are required to carry your guest identification card with you when going ashore.

You will be asked to produce this at the gangway when you leave and return to the ship. Be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your guest identification card when entering this area, in addition to showing it to the Security Staff at the gangway when leaving or boarding the ship.

We kindly ask you not to accept and bring on board any parcels or packages from strangers. Before boarding the ship, you may also be asked by our Security Staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that this security is in the best interest of all concerned.
