Queen Mary 2 Voyage M504

Time Zone: GMT

Sunrise 7.35am Sunset 6.47pm

At sea, en route to Funchal, Madeira, Portugal  
Showtime Tonight is Broadway Rocks

## From the Navigator

Shortly after departure yesterday evening, Queen Mary 2 passed approximately 14 miles to the northwest of the Cabo Espichel Lighthouse whilst proceeding on a south-westerly heading towards our next port of call, Funchal. For centuries the Portuguese coast was known by foreign vessels, especially the British, as the "black coast" because there was no lighting system to help navigation. In the late eighteenth century, the Marquis of Pombal built a network of lighthouses to make it safer, including the one on Cabo Espichel, one of the oldest in Portugal, built in 1790.

## Chairobics

Join a member of the Entertainment Team for a fun and funky workout for all levels. It is great for an upper body workout if you prefer to sit down.

9.45am, G32, Deck 3L, Stairway D

## Port Presentation on Lanzarote & Cadiz

Join Jane Reid as she illustrates the highlights and the ports as well as further afield for our last 2 wonderful destinations to maximise your time ashore. This talk will be shown on stateroom television channel 49 later today.

Feel free to dress casually as you visit any of the following venues: Kings Court, Golden Lion, Casino, Carinthia Lounge, and G32. Please note non-ripped, jeans are appropriate, but please refrain from wearing shorts, sports attire, swim wear or sleeveless t-shirts outside of the gym, spa and deck spaces.

### Alcohol policy

Guests who are under 18 years of age are not permitted to purchase or consume alcohol on board. However, while in US waters, Cunard enforces and abides by the US legal drinking age of 21 years. You may be asked for government identification.

### Hand washing and sanitising

To stay healthy, please wash your hands regularly with soap and water and use the hand sanitisers around the ship. Should you experience any symptoms of respiratory or gastrointestinal illness, please immediately return to your stateroom and notify the medical staff by phoning 999 or 911.

### Prohibited items on balconies

For safety reasons and to protect and preserve the marine environment, no towels or any other personal belongings are to be left on the balcony when the stateroom occupants are not present.

### Smoking policy

For the safety, comfort, and enjoyment of our guests, smoking (including electronic alternatives) is not permitted in staterooms, on stateroom balconies, or in public rooms. You will find a designated smoking area on Deck 8, aft, port side, immediately outside the entrance onto the deck only. Smokers should not drift beyond this point. The only exception to this is Churchill's Cigar Lounge, which is reserved for cigar and pipe smokers only. This policy is designed through direct feedback from our guests and is for the safety and comfort of all guests.

"Our Moon".

Werewolves, vampires, and lunatics are said to be influenced by the Moon. What's behind all this? Where does this deep fascination about our nearest neighbour in the Solar System come from? We will be looking at many details and finding out why the Moon will continue to play a big role in our lives. Come take a step forward and touch the Moon.

## Nancy Appleyard

"Communicating Through Body Language: And Why Humans Excel At It".

What can our body language tell others about what we are thinking and how we are feeling? Why is so much of it instinctive and broadcasted without our knowledge and permission? How might it help us to deal with threats, make a friend, or attract a mate?

And finally, why is it that body language doesn't tell lies?

"Working with GCHQ".

GCHQ was the largest and most secretive of the United Kingdom's intelligence agencies during the Cold War (and still is). This talk gives a personal account of what working with such a secret organisation was really like and how dramatically things have changed since then.
