Port Highlights

Step into a land of mesmerising landscapes, sun-drenched villages, volcanic beaches, and decadent cuisine. The port city of Arrecife de Lanzarote is your gateway to the almost otherworldly enchantments of this lava-sculpted land, a capital city with a rich variety of places to explore, eat, and drink. A geological wonder and well-loved jewel of the Spanish Canary Islands, the port city of Arrecife lies on the east coast of Lanzarote, just 125 kilometres off the north coast of Africa. Offering a dry, sunny climate with little rain, the island has long been a popular port of call for guests sailing on a cruise to the Canary Islands and the Mediterranean. There are two main docking points for ships calling at Lanzarote: Mille de Los Mármoles and La Boca de Puerto Naos. Both ports are located close to the island's capital city of Arrecife, and you can expect a warm welcome, stunning views, and plentiful opportunities to immerse yourself in traditional Lanzarote life at either location. It is impossible not to be taken aback by the dramatic landscape that unfurls before you step ashore in Lanzarote. One of the best ways to experience this moon-like land is by visiting the Timanfaya National Park. Located on the southeast of the island and comprised entirely of volcanic soil, the park showcases an imposing yet beautiful landscape, formed by eruptions dating back to 1720, 1736, and 1824. If you are interested in the history and architecture of Lanzarote, you will find plenty in port to keep you entertained. Among these is the opportunity to walk the causeways of the Castillo de San Gabriel, a sixteenth-century stone fortification situated on a tiny island overlooking Puerto Naos. The experience offers stunning outlooks over the city and across the vast blueness of the Atlantic Ocean. Another local site of interest close to the port is the Iglesia de San Gines. Proudly overlooking the gorgeously curated Arrecife old town square, this gleaming whitewashed church dazzles with its ornate beauty and roots dating back to the 1500s.
