From the Navigator

Queen Mary 2 has now begun her passage to Cádiz. While en route, we passed approximately 8 nautical miles to the south east of Roque del Este, Spanish for "rock of the east", which is a small uninhabited islet in the Canary Islands, located 11 kilometres (7 miles) northeast of the island of Lanzarote. The islet is part of the Chinijo Archipelago, which is administratively part of the municipality of Teguiise. Like the rest of the Canary Islands, it is of volcanic origin, with its highest point being 84 metres.

Preparing for your onward journey

We trust you are having an enjoyable and memorable time on board Queen Mary 2. The Purser's Office will be writing to all guests with important information about the disembarkation plans. All guests will have the option to disembark directly from their stateroom to the gangway at an allocated time, or to request Fast Track disembarkation.

It is important that your allocated time is adhered to, avoiding potential crowds at the gangway area. The Purser's Office are available on extension 22200 to assist with any queries, book mobility assistance and take requests for Fast Track disembarkation.

Fast Track disembarkation spaces are limited and guests will be responsible for carrying all their luggage with them. The registration deadline for Fast Track disembarkation is 10.00pm on the evening before disembarkation.

Prohibited items on balconies

For safety reasons and to protect and preserve the marine environment, no towels or any other personal belongings are to be left on the balcony when the stateroom occupants are not present.

Markus Steblei

"Is There Anybody Out There?"

It has always been one of the most interesting but also one of the most challenging questions ever. Since we started looking into the skies, we asked ourselves, What is out there? And later the question changed to, Is there anybody else? As we discover more and more of the Universe, we see more and more proof about Earth-like planets, so let us discover some far-away worlds and check what is needed to support life.

12.15pm, Illuminations, Deck 3, Stairway B

Featured Speaker: Shirley Robertson OBE

Take a glimpse behind the scenes as Shirley Robertson lifts the curtain on two decades spent reporting from sports events around the globe. From the oldest trophy in international sport, the jeopardy of Olympic competition, and the perils of solo round-the-world sailing, Shirley Robertson has spent twenty years in front of the camera as one of the sport's most recognised journalists.
