

Daily Programme

Thursday, 27 February 2025

Tonight: Gala Evening (Masquerade)

Queen Mary 2 Voyage M504

Time Zone: GMT+1

Sunrise 8.15am Sunset 7.26pm

At sea, en route to Southampton, United Kingdom
Showtime Tonight is Let's Dance

From the Navigator

Queen Mary 2 now heads north along the coast of Spain and Portugal. During the passage back to Southampton, we will pass through multiple traffic separation schemes. These are routing measures aimed at the separation of opposing streams of traffic by appropriate means and by the establishment of traffic lanes. Following departure from Cádiz yesterday, we transited the Cabo De S. Vicente Traffic Separation Scheme and in the early hours of this morning passed through the Cabo Da Roca Traffic Separation Scheme. Now heading along the coast, we will later reach the Finisterre Traffic Separation Scheme, which lies on the northwest coast of Spain before entering into the Bay of Biscay.

Masquerade Ball

Delight in an enchanting evening as you travel back to Renaissance Italy at tonight's Masquerade Ball. Choose your finest eveningwear and accessorise perfectly with an elegant mask to embrace and add to the sense of mystery and intrigue that awaits.

Please refer to the ♦ symbol throughout for full details of the daytime and evening events.

The King's Trust Silent Chart Auction

To raise funds for The King's Trust, formerly The Prince's Trust, we will be holding a silent auction for an authentic navigational chart from this voyage. It shows the route taken this voyage and is signed by Captain Aseem A. Hashmi MNM and the Navigational Team.

The chart will be on display from 10.00am outside the Champagne Bar in the Grand Lobby on Deck 3 until tomorrow at 12.00pm (noon), when the auction will close.

Masquerade Ball Gala Night

Enjoy an evening with a mysterious feel, taking you back to the grand old days of Venice with the Queens Room Musicians. Watch the drama unfold as hidden identities and elaborate costumes are seen.

At 9.15pm, enjoy a special dance performance from professional dance couple, Iryna and Michal.
9.00pm, Queens Room, Deck 3, Stairway D

For your information

What to Wear: Gala Evening

From 6.00pm, we encourage you to join in the sense of occasion with eveningwear of dinner jacket, tuxedo, or dark suit with a regular tie or bow tie, or floor length dress, ball gown, cocktail dress, smart trouser suit, or formal separates. Guests are welcome to embellish their Gala Evening attire to fit the applicable theme of the evening. A range of gentlemen's formal wear is available to hire on board in the fashion boutique on Deck 3.

Of course, if you prefer to spend tonight in more relaxed attire, a selection of casual dining and entertainment venues are available for your enjoyment. Feel free to dress casually as you visit any of the following venues: Kings Court, Golden Lion, Casino, Carinthia Lounge, and G32. Please note non-ripped, jeans are appropriate, but please refrain from wearing shorts, sports attire, swim wear or sleeveless t-shirts outside of the gym, spa and deck spaces.

Alcohol policy

Guests who are under 18 years of age are not permitted to purchase or consume alcohol on board. However, while in US waters, Cunard enforces and abides by the US legal drinking age of 21 years. You may be asked for government identification.

Luggage collection

Place your luggage outside your stateroom between 5.00pm and 10.00pm, tomorrow, Friday, 28 February 2025. We ask for your co-operation in placing any luggage outside early, even if you only have one case ready.

Prohibited items on balconies

For safety reasons and to protect and preserve the marine environment, no towels or any other personal belongings are to be left on the balcony when the stateroom occupants are not present.

Preparing for your onward journey

We trust you are having an enjoyable and memorable time on board Queen Mary 2. The Purser's Office will be writing to all guests with important information about the disembarkation plans. All guests will have the option to disembark directly from their stateroom to the gangway at an allocated time, or to request Fast Track disembarkation.

It is important that your allocated time is adhered to, avoiding potential crowds at the gangway area. The Purser's Office are available on extension 22200 to assist with any queries, book mobility assistance and take requests for Fast Track disembarkation.

Fast Track disembarkation spaces are limited and guests will be responsible for carrying all their luggage with them. The registration deadline for Fast Track disembarkation is 10.00pm on the evening before disembarkation.

Returning of Library books

All guests who are disembarking in Southampton are reminded that Library books must be returned to the Library by no later than 2.00pm tomorrow, Friday, 28 February 2025.

Cunard Insights

Dr Alison Norrington

"Everyone Has a Book in Them: How to Take your Life Story and Turn it Into a Book".
Figure out where to start, get inspired, write with confidence, and maybe even shorten your timeframe to turn your life story into a novel. Write what you know and keep your storyline tight, whilst also "pulling out the best bits".

10.00am, Illuminations, Deck 3, Stairway B

Markus Steblei

"Space Flight Demystified".
We all know the "usual" science-fiction television series and movies, showing astronauts or space travellers on their way to other planets and even galaxies. But how realistic is all of that? Can we really reach even the nearest star with our current technology? Let us find out together what the basic challenges are when it comes to Space Travel. Energy, time, speed, radiation, and other constraints will come along our way, so let us take a closer look at these basic principles before we lift off.

11.00am, Illuminations, Deck 3, Stairway B

Keith Appleyard

"The Rise and Rise of Cyber Espionage".
The world of George Smiley has been overtaken by sophisticated electronic spying on an industrial and international scale. This talk traces the development of cyber espionage in the twenty-first century and the intertwined relationship between espionage, computers, and the internet that affects us all.
