Port Highlights

Athens is the most ancient of cities, a fact that is hard to forget thanks to the dazzling presence of the Acropolis, an ancient Greek temple which looms majestically above the city from atop its hill. While the wealth of ancient Greek ruins on show is stunningly impressive in its own right, there's also Byzantine, Ottoman and neoclassical architecture to admire in this extraordinary melting pot of a city. Athens also has an amazing creative energy and vibrancy, which has persevered and flourished despite recent economic hardship, and can be seen in everything from its fantastic street art to its theatre scene and buzzing nightlife.
